# Correction to: Information about the natural history of acute infections commonly seen in primary care: a systematic review of clinical practice guidelines

Kwame Peparh Boaitey\*, Mina Bakhit, Natalia Krzyzaniak and Tammy C. Hofmann

**Correction to: BMC Infectious Diseases (2022) 22, 897.**

<https://doi.org/10.1186/s12879-022-07887-1>

## Error 1:

Following publication of the original article [1], the authors identified an error in Box 1. The correct box is given below.

Box 1: characteristics and outcomes for which data were extracted

- 1. Guideline characteristics:** title, publisher/authors, link to the source, year of publication, version, country/ region of the published guideline, language, intended users.
- 2. Condition's characteristics:** targeted body system, type of condition, targeted age group, relevant diagnostic criteria
- 3. Outcome data:**
  - a. Natural history:** information present or not for each eligible condition, citing references details (year of publication, study type), verbatim wording of the natural history information (including duration of the illness if untreated)
  - b. Antibiotic stewardship strategies:** delayed prescribing or shared decision making information present or not, verbatim wording of delayed prescribing/shared decision making information, mention of patient decision aids with a link to and/or the location of any relevant resources/materials mentioned.

## Error 2:

Following publication of the original article [1], the authors identified an error in Fig. 2. The correct figure is given below.

The original article can be found online at <https://doi.org/10.1186/s12879-022-07887-1>.
