Correction: Risk factors of adult isoniazid-resistant and rifampicin-susceptible tuberculosis in Nanjing, 2019–2021

Jing Guo^{1,2}, Yan Han¹, Xia Zhang², Feishen Lin², Liangyu Chen² and Xuebing Feng^{1*}

Guo et al. *BMC Infectious Diseases* (2024) 24:511

<https://doi.org/10.1186/s12879-024-09404-y>

Published online: 22 July 2024

Following publication of the original article [1], we have been notified that the order of the author affiliations was incorrect.

Initially, Department of Tuberculosis at The Second Hospital of Nanjing was presented as affiliation number one, while Department of Rheumatology and Immunology at Nanjing Drum Tower Hospital was presented as affiliation number two. This has now been switched.

The original article has been corrected.
