Publisher Correction to: COVID-19: interpreting scientific evidence – uncertainty, confusion and delays

Julian W. Tang

Correction to: *BMC Infect Dis* (2020) 20:653
<https://doi.org/10.1186/s12879-020-05387-8>

Following publication of the original article [1], the author identified three errors in the article body:

- The typo “SARS-CoV-12,003”, should be written as ‘SARS-CoV-1, 2003’:
 - i. in the 1st page, right-hand column, 2nd paragraph and
 - ii. in the 2nd page, right-hand column, 4th paragraph;
- In the last paragraph “SARS-CoV-2, 2003” should be written as ‘SARS-CoV-1, 2003’.

The typo has been updated above and the original article [1] has been corrected.

The publisher apologizes for the inconvenience caused to the author and readers.
